

The Lakeshore Natural Resource Partnership supports community-based resource conservation and environmental stewardship in the Lakeshore Region. Your generous gift helps LNRP carry out many programs, projects, and events with our collaborative partners, providing them assistance for: beach and river clean-ups, Adopt-a-Park efforts, invasive species management, wetlands restoration, and more. In turn, you receive our quarterly e-newsletter, *The Source*, invitations to events, and guidance on how to stay active in the stewardship of our land and water.

Please choose your level of support!

- \$10
- \$30
- \$50
- \$100
- \$250
- Please indicate another amount you would like to give: _____

The focus of your donation is up to you!

Designate the partner group you would like to support, or opt to donate to the Stewardship Fund:

- Climate Change Coalition of Door County
- Friends of the Branch River
- Friends of Crescent Beach
- Friends of Hika Bay
- Friends of the Manitowoc River Watershed
- Friends of the Twin Rivers
- Sheboygan River Basin Partnership
- Lake Michigan Stakeholders
- Lakeshore Invasive Species Management Area
- Niagara Escarpment Resource Network
- Please apply my gift to the LNRP Stewardship Fund to be used in the area of greatest need.
